

KARRI AGREEMENTS

Create. Send. Track. Store.

Karri Agreements helps schools send digital forms & acknowledgement to parents through Karri. Schools can collect responses, track progress & keep records in one organised place.

 Use it for permission slips, indemnity forms, waivers, event terms, disclaimers & other important school acknowledgements.

Parents complete agreements through the Karri app, while schools can monitor responses & keep clear digital records.

WHY SCHOOLS USE IT

Paperless & efficient

Reduce printing & manual admin with simple digital agreements

Clearer response records

Keep a digital record of acknowledgements, acceptances & submissions.

Centralised & secure

Store agreements & responses together for easier access & follow-up.

Real-time visibility

Track submitted & outstanding responses as they come in.

Faster parent responses

Make it easier for parents to respond on time.

Audit trail & accountability

Keep date-stamped records for clearer follow-up & reporting - all in a digital format.

Example: Matric Dance

School create & sends a Matric Dance agreement to parents.

Parents submit partner details, dietary requirements, emergency contacts & event acknowledgement.

The school tracks completed & outstanding responses in Karri.

All information is stored in one place to support planning & follow-up.

RESULTS: Less manual admin, better planning & clearer records.
